CHOOSE ACCO
FOR EDUCATION

A few of our best known brands — Swingline® GBC®, Quartet® and GBC® — serve the education market in the United States to provide schools, teachers, administrators and parents with the tools they need to inspire students.

At ACCO, we believe that every student should have access to a high-quality education at any time and from anywhere.

Pouch Lamination Power through your projects

Teachers, professors and education specialists find pouch laminators easy to use, and helpful in creating and protecting students' work. Swingline® GBC® Fusion™ Pouch Laminators feature quick warm-up times and fast laminating speeds, allowing educators to complete projects in record time. Teachers can now get back to their busy days with quick Fusion™ desktop laminators from Swingline® GBC®.

Swingline® GBC® Fusion™ Laminators

Enjoy super fast and easy lamination with our laminating machines. Seven models feature short warm-up times — as quick as 60 seconds — and versatile options to laminate documents and photos.

Roll Lamination First choice for schools

GBC® Ultima® and Pinnacle roll laminators are great for heavy-duty use. With additional features like user-friendly control panels and built-in trimmers, creating professional-looking classroom decorations, hallway banners and visual aids is easy.
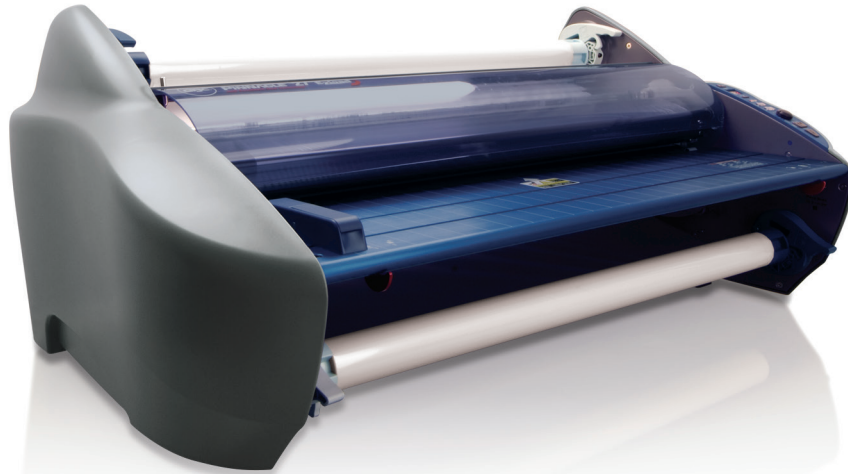

"An excellent product.
The quality of this film is very high. I have used it over 25 years in my career."
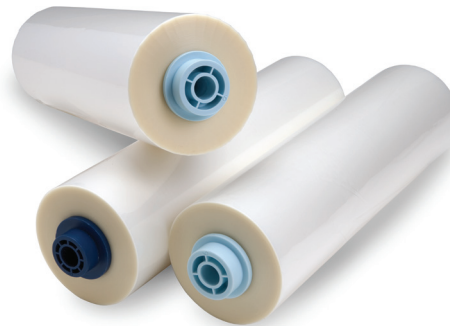

★ ★ ★ ★ ★ | Librarian, New York

EZload™ technology has a specialized design so you can clearly see which end of the film goes where for quick and accurate loading. High-quality laminating film can make a big difference in how your finished projects look. GBC® roll film is available in standard NAP I and NAP II, in addition to our EZload™ film.

EZload™ eliminates
film loading errors.

Whiteboards Great ideas start here

Whiteboards allow teachers to enhance collaboration and encourage creativity. Studies have shown that dark colors on a white background are easier to read than light colors on a dark background, and dry-erase markers result in less irritating dust than chalk. These benefits make whiteboards an ideal solution for learning environments. Quartet® whiteboards come in a variety of surface types, frame designs and sizes to meet the diverse needs of all classrooms and education spaces.

On the whiteboard:
$$88 \times 12 = 1,056$$
$$134 \times 7$$
$$11 \times 111$$
$$47 \times 18$$
$$260 \times 24$$
$$16 \times 201$$
$$34 \div 54$$
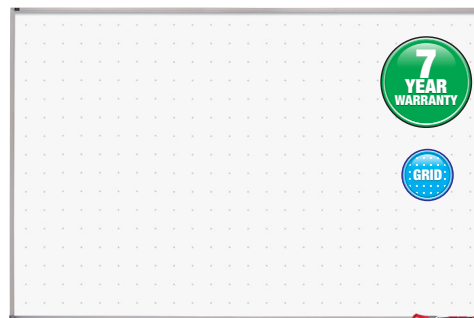

Quartet® Magnetic Porcelain Whiteboards

Our porcelain whiteboards are extremely durable and will not scratch, dent, stain or ghost. Backed by a lifetime warranty, they are the top choice for classrooms that use the boards multiple times throughout the day.

Quartet® Total Erase® Whiteboards

Total Erase® whiteboards are a solid choice with a surface that resists staining and ghosting for classrooms with less frequent use. For occasional use, see classic whiteboards.
