

Congratulations!

Your new Kensington® ComboSaver® Combination Notebook Lock is the easiest and most reliable way to secure your notebook computer to help protect against theft. Simply set your personalized 4 digit combination code and attach to either a notebook computer or any other device that contains the Kensington Security Slot (K-Slot).

The K-Slot is commonly found on notebook computers, projectors, external hard drives, LCD monitors/TVS, and printers.

Features

1. Four 10 Digit Combination Dials allowing you to set up to 10,000 personalized combination codes
2. Patented T-Bar engagement mechanism offering you superior strength and security to help protect against theft
3. Full steel core security cable with protective jacket to attach your notebook computer securely to a stationary point
4. Easy to set combination mechanism requiring the attached Rest Tool to help prevent accidental combination resets
5. Backed by a Limited Lifetime Warranty

Registering Your Kensington Product

To help remember your personalized combination code please register your Lock and code online at www.kensington.com.

Technical Support

Technical support is available to all registered users of Kensington products. Technical Support contact information can be found on the back page of this manual.

Web Support

You may find the answer to your problem in the Frequently Asked Questions (FAQ) section of the Support area on the Kensington Website: www.support.kensington.com.

Telephone Support

There is no charge for technical support except long-distance charges where applicable. Please visit www.kensington.com for telephone support hours. In Europe, technical support is available by telephone Monday to Friday 0900 to 2100.

Please note the following when calling support:

- Call from a phone where you have access to your device
- Be prepared to provide the following information:
 - Name, address, and telephone number
 - The name of the Kensington product
 - Symptoms of the problem and what led to them

Limited Lifetime Warranty

Kensington Computer Products Group, a division of ACCO Brands. (Kensington), warrants to the original purchaser this product against defects in material and workmanship for the life of the product as follows: Kensington will supply, at its option, comparable new and rebuilt replacements for defective parts and will pay the labor charges to repair the product found to be defective. Should Kensington be unable to replace or repair the product, Kensington will reimburse you for your original purchase price providing you can submit the dated bill of sale as evidence of the original purchase price along with the defective product.

To obtain warranty service during the warranty period call one of the tech support number listed on the back page.

In order to keep this warranty in effect, the purchaser must have handled and used the product as prescribed in the Instruction Guide accompany this warranty. This warranty does not cover any damage due to accident, misuse, abuse, or negligence.

Repair or replacement as provided under this warranty is the exclusive remedy of the consumer. In no event shall Kensington be liable for any incidental or consequential damages. This warranty is in lieu of all other warranties, expressed or implied, including implied warranties of merchantability or fitness for a particular purpose.

Some states or countries do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states or countries do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state and country to country.
