

It takes one click  
to lock your computer  
with ClickSafe.

Or 180 hours  
of lost productivity  
if you don't.

## Introducing the Kensington Laptop Lock Buy Back Program\*.

The Kensington Laptop Lock Buy Back Program allows companies and individuals to sell back their previously purchased Kensington and competitive laptop security locks. Simply purchase the new Kensington ClickSafe locks (25 piece minimum), provide a copy of your purchase order/receipt and return your previously purchased locks back to us. For every ClickSafe lock you purchase we'll give you \$10 for each lock we buy back. It's just that easy.

### About the Kensington ClickSafe Lock

#### **SIMPLER**

The Kensington ClickSafe lock is designed to be the strongest and easiest to use lock available. A single locking motion makes the employee's role in protecting your business easy. Just click it on and you're protected.

#### **SAFER**

Kensington ClickSafe locks are constructed from the safest materials to deliver the best security available from a cable laptop lock.

#### **SMARTER**

ClickSafe locks not only act as your first line of defense, they are also designed to fit seamlessly into daily routines to deliver improved compliance. Now there's no need to compromise security, portability or convenience.
