

# Kensington® | ClickSafe™

## Kensington Laptop Lock Upgrade Programme

The Kensington Laptop Lock Upgrade Programme allows companies & individuals to use their previously purchased Kensington and competitors' laptop security locks to obtain a discount against Kensington's new ClickSafe™ laptop security locks. Simply provide proof of original purchase of your current locks to your reseller when ordering the New Kensington ClickSafe™ locks (25 piece minimum) and receive up to €10 per lock discount off the invoice value of the new ClickSafe™ locks. **It's just that Simple, Safe & Smart.**

**The following conditions apply to the programme:**

1. Purchase the same quantity or more Kensington ClickSafe™ locks than you wish to upgrade. A 25 piece minimum purchase is required to participate in this Upgrade Programme.
2. Provide a copy of your original order/invoice showing proof of purchase for the locks you wish to upgrade\*.
3. Complete this Kensington Laptop Upgrade Programme form and submit it with the copy of your original order/invoice to your reseller.
4. For each qualifying lock proof of purchase, we'll give you up to **€10** discount off each ClickSafe™ lock\*\*. **(€5 for each Standard Keyed Different lock or €10 for each Custom Keyed lock you upgrade)**
5. Please remember to recycle your old laptop locks.
