# Quartet® iQ™ Whiteboards

When we set out to create the ideal whiteboard, we wanted a design that would blend in perfectly with even the most sophisticated environments, which meant integrating form and function in ways that required thinking outside of the frame. Smart in every sense of the word, the result is the exceptionally sleek and extraordinarily lightweight Quartet® iQ™ Whiteboard.

**Clear Communication.** Renowned Total Erase® surface allows markers to virtually glide across surface and resists stains and ghosting.

**Stylish Design.** Focus on what counts – your ideas. Unique, high-tech translucent edge not only disappears in the background for a seamless fit in any décor, it also extends the writing surface from edge to edge.

**Self-gripping, built-in accessory tray slides off and on iQ's clear edge to easily accommodate both vertical and horizontal installation**
