

DERWENT

STEP-BY-STEP DEMONSTRATION

DERWENT ARTISTS

Freedom of expression with the ultimate colour range

Winter Trees (Finished drawing 4" x 6")

INTRODUCTION

Artists pencils are traditional, large diameter colour pencils with a soft, slightly waxy strip, ideal for blending and superimposing. A long term favourite with generations of artists, they are available in a fabulous spectrum of 120 professionally selected colours.

MATERIALS USED:

Derwent Artists pencils used:
0700 Naples Yellow, 0800 Middle Chrome, 3300 Light Blue, 2500 Dark Violet, 3000 Smalt Blue

Smooth white cartridge paper 120lbs

1 Using 3000 Smalt Blue and 2500 Dark Violet lightly position the horizon, trees and shadows onto white cartridge paper.

2 Begin with 0700 Naples Yellow and using multi-directional blending strokes block in the warm light all over the drawing avoiding the area where the sunlight glows in the centre right of the picture.
